Limited Warranty for Sunn lights

This limited warranty is provided to you by 'Sunn' ("Seller") as the original purchaser of the 'Sunn light' ("Product") described on the Seller's proof of purchase.

Seller warrants that the Product, when delivered in new condition and in its original packaging and if properly installed and used, will be free of defects in material and workmanship and will substantially conform to Seller's publicly available specifications for period of five (5) years from the date of the original purchase, whether purchased separately or as a part of a system. Seller shall make the determination of whether the Product is defective in its sole discretion, with consideration given to the overall performance of the Product. The Product shall not be considered defective solely as a result of the failure of individual LED components to emit light if the number of inoperable components is less than 10% of the total number of LED components in the Product.

If Seller determines the Product is defective, Seller will elect in its sole discretion, to refund you the purchase price of the Product, repair the Product or replace the Product. This limited warranty will not apply to loss or damage to the Product caused by: negligence; abuse; misuse; mishandling; improper installation; storage or maintenance; damage due to fire or acts of God; vandalism; civil disturbances; power surges; improper power supply; electrical current fluctuations; corrosive environment installation; induced vibration; harmonic oscillation or resonance associated with movement of air currents around the product; alteration; accident; failure to follow installation, operating, maintenance or environmental instructions prescribed by Seller or applicable electrical code; or improper service of the Product performed by someone other than the Seller or its authorized service provider. This limited warranty is void if the Product is not used for the purpose for which it is designed.

Seller reserves the right to utilize new, reconditioned, refurbished, repaired or remanufactured products or parts in the warranty Product repair or replacement process. Such products and parts will be comparable in function and performance to the original Product or part, as determined by Seller in its sole discretion, and warranted for the remainder of the original warranty period.

This Limited Warranty, and any implied warranties that may exist under the law, apply only to the original purchaser of the Product or Product-based equipment and last only for as long as that purchaser continues to own the Product.
